Attorney's Docket No.: 11973-004001

REMARKS

As of the action mailed on March 25, 2005, claims 1-53 were pending. Of these, claims 2-5, 9-17, 23-24, 28-30, 40-44, 47, and 48 were objected to as depending from rejected base claims, but were found by the examiner to have patentable subject matter and would be allowed if rewritten in independent form including all the limitations of their respective base claims. The remaining claims were rejected.

All of the claims have been amended or cancelled so that all the remaining claims now include subject indicated by the examiner to be allowable.

Enclosed is a \$500.00 check for excess claim fees. Please apply any other charges or credits to deposit account 06-1050.

Respectfully submitted,

Date: 27 June 05
